

PRE-ASSEMBLED CABLE INQUIRY FORM

HELUKABEL®

HELUKABEL strives to design & engineer the best solution for your individual application. Please complete as much information on this form and e-mail to robotics@helukabel.com. One of our representatives will contact you directly for any additional details.

End User/Company Data		
Company Name:		Contact:
Address:		Title:
City:		Phone:
State:	Zip:	Email:

PROJECT SCOPE		
Serial Business	Est. Yearly Volume	Prototype Est. Requirement
OEM Company Name:		PN: Custom
If custom, please provide application environmental details below.		
Environment: Indoor Outdoor Wet Dry Coastal Air	Ambient Operating Temperature Low: High:	
Exposed To: Corrosives Chemicals Solvents Other Fluids Abrasives Wood/Plastic Chips/Dust Metal Shavings		
Exposure Details:		
Other Application Details:		

Assembly Specifications		
Overall Assembly Length: ft / m	Cable Type: Round Flat	
# of Conductors: / # of Pairs:	AWG Size: / mm2 Size:	
Assembly Side A		Assembly Side B
Terminated Flying Leads Blunt Cut	Terminated Flying Leads Blunt Cut	
Connector Type: Circular Square	Connector Type: Circular Square	
Mating Orientation: Male Female	Mating Orientation: Male Female	
Orientation: Straight Angled - °	Orientation: Straight Angled - °	
Field Terminable Overmolded	Field Terminable Overmolded	
PIN Assignment Chart: <i>See Next Page</i>		

Additional Documentation		
Are engineering drawings or sketches available to be submitted?	Yes	No
Is a bill of materials (BOM) available to be submitted?	Yes	No
