

Position: Warehouse Associate

Job Type: Full-time

Job Description

HELUKABEL® USA, Inc. has an opportunity for a Warehouse Associate. The Warehouse Associate will report to the Warehouse Manager, but will have direct communication with other departments to ensure the timely processing of both inbound and outbound deliveries. Warehouse associates will need to operate forklifts as well as measuring and cutting machinery.

Responsibilities:

- Operate forklift
- Pick, pack, and restock orders according to order confirmations.
- Complete cuts and labeling per customer order requirements.
- Support outbound logistics with the loading and unloading of trucks.
- Manage stock and inventory control.
- Assist Warehouse Manager and Logistics Supervisor as needed.

Desired Skills and Preferred Experience:

- High school diploma or equivalent.
- 1 to 2 years of warehouse/distribution experience preferred.
- Desire to work in a fast-paced, organized and positive environment.
- Able to lift up to 70 lbs.
- Attention to detail and safety orientated.

Compensation & Benefits:

- Compensation: depending on experience
- Health, dental, life insurance
- 14 PTO days after 90 days employment
- Simple IRA 3% Match
